Young People in Recovery (YPR) is a national grassroots advocacy organization focused on creating recovery-ready communities throughout the nation for young people in, or seeking, recovery. YPR aims to improve access to treatment; education; employment; and quality sober housing for young people in recovery and those seeking recovery. By creating a national network of young people in recovery, we empower young people to get involved in their communities by providing them with the tools and support to take charge of their futures. **YPR-HUDSON, NY** is one of 35 local chapters throughout the United States with additional chapters in formation.

Unrestricted gifts to Young People in Recovery can support our work in the following ways:

A gift of \$100 pays for leaflets and brochures advertising one YPR chapter educational event at a local school or community center open to the general public to discuss youth recovery and the community's needs around this issue.

A gift of \$250 supports an employment workshop for young people in recovery where peer leaders will teach resume writing, interview tips, how to write a cover letter, research job opportunities, and more.

A gift of \$500 underwrites the cost of one YPR chapter's social gathering with live entertainment and refreshments for approximately 100 young people in recovery.

A gift of \$750 allows a local YPR chapter to recruit at treatment centers, sober houses, recovery schools and juvenile justice court-mandated facilities around the county.

A gift of \$1,000 covers funding for one YPR chapter leader to attend the 2014 National Leadership Conference in Denver including airfare, room and board, staffing and all training materials.

A gift of \$2,500 provides funding for expanding a YPR chapter's online and social media presence with enhanced web site features, technical support and social media marketing campaigns to drive membership and recruitment.
